

COUVA WEST SECONDARY

STUDENT EMAIL

Students will have access to a google workspace account. This account will be used to communicate with both parents and students. Some teachers may also use other methods in addition to this to send information to a student.

Communication includes:

1. Sending and assigning schoolwork to students
2. Informing of upcoming school events.
3. Disseminating report cards at end of term
4. Contacting parents/Guardians on issues relating to students.

Once the email account has been activated students are required to remember their password. Please write it down and secure it properly.

Parents are asked to be mindful of students email accounts so they can monitor the type of mail received.
